EXPLORE THE REGION

Corryong

The largest town within the Upper Murray is Corryong. It offers a variety of shopping, accommodation, eateries, self-drive tours and sporting facilities. There are many lookouts that view Corryong and its surrounding valleys that are well worth the drive. Explore the **Man from Snowy River Museum**, visit the grave of 'The Man from Snowy River' – Jack Riley and participate in an annual celebration of this Australian legend at the **Man from Snowy River Bush Festival**.

Khancoban

Khancoban is a picturesque town featuring a superb **rose garden** and views overlooking **Khancoban Dam**. Khancoban is the southern gateway to **Kosciuszko National Park** and the **Snowy Mountains** snowfields. During your visit play golf alongside resident kangaroos, water ski or fish on the lake, or enjoy walks and four wheel driving in the National Park.

Towong, Tintaldra and Walwa

These peaceful townships are situated on the banks of the mighty **Murray River**. A drive along the **Great River Road** takes you past the historic **Towong Racecourse** where scenes from Pharlap were filmed. Further along, step back in time at historic Tintaldra. Visitors to Walwa can access **Burrowa-Pine Mountain National Park**. **Pine Mountain (Yabbarin)** is one of the largest monoliths in the southern hemisphere, reputedly 1.5 times the size of Uluru. Lookouts along the **Great River Road** provide picturesque views of the mountain and Murray River valleys.

Cudgewa

The township of Cudgewa is home to a former railway terminus on the old line from Wodonga. A visit to the Upper Murray would not be complete without a visit to **Cudgewa Bluff Falls**.

Colac Colac

Ride or walk the pleasant bike trail between Corryong and Colac Colac.
